

Poster Presentation

The Industrial Mathematics Conference – I, June 3 – 5, 2016

Department of Mathematics, University of Sri Jayewardenepura

We call for posters to be displayed at the above said conference from undergraduate and postgraduate students. Posters could be based on Mathematics related projects, internships and research. We kindly request you to engage with us by displaying a poster.

Guidelines for poster presentation

1) Poster should have the following content.

- Title
- Authors' names and affiliations
- Abstract
- Introduction
- Methodology/ Mathematical Formulation
- Results
- Discussion and Conclusions
- References

2) Size of the poster should be with 0.85m height and 1.1m width. Poster should be a digital print.

3) Use appropriate font size and colors. Figures and graphs should be clear.

4) Submit the poster on or before May 06, 2016 to the Department of Mathematics, University of Sri Jayewardenepura.

5) Prizes will be given to the best three posters. Certificates of participation will be given to the authors of all posters.

6) Corresponding author should present during the time allocated for poster presentation. Otherwise the poster will not be considered for prizes.

7) For further information contact: Dr. Naleen Ganegoda, Coordinator/Poster competition
Email: naleencg@gmail.com, naleen@sjp.ac.lk, Phone: 011-2758380 , 0714478687.
